

## **TX802 Squadron Boosters**

To: The parents/guardians of TX802 Cadets,

We would like to welcome you and your cadet(s) to The Civil Air Patrol and the TX802 Sheldon Cadet Squadron. The purpose of the TX802 Squadron Boosters is to encourage and support the activities of the TX802 Civil Air Patrol Cadet Squadron. The booster club is responsible for providing meals to the cadets at all weekend activities. Additionally, in order to help keep cadet costs down, we raise funds, generally once in the fall and if necessary once in the spring. These funds are used to assist with the financial needs of the squadron and cadet activities. Membership in the booster club is open to all parents, guardians, friends, family members and teachers who are interested in assisting us reach our goals. Membership is \$2.00 per person/member, even if you have multiple cadets.

The booster club currently maintains the squadron website [www.tx802.com](http://www.tx802.com). This is a great site for you to visit for current happenings! After each monthly activity the TX802 Buzz, newsletter, is distributed to cadets. However, many cadets fail to give their parents/guardians the newsletter so the newsletter is published on the squadron website. The site also has links to download the forms required for each activity, the squadron calendar and the squadron gallery. For more information on happenings in the squadron you can also follow us on Facebook at [www.facebook.com/TX802Cadet](http://www.facebook.com/TX802Cadet) and on Twitter at @TX802.

We invite you to help support your cadet's squadron activities and would love for you to become a member of the booster club, but **you do not have to be a member of the booster club or the Civil Air Patrol to help!**
